

MARTIN FIERRO

*The Martin Fierro line expresses the Argentine spirit, transmitting a strong character of national identity.*

Origin: SAN JUAN - ARGENTINA

Varietal: 100% MALBEC

Vintage: Harvest 2017

Varietal wines characterised by its traditional style, with special features of aromas and flavours. Medium bodied, and a pleasant and delightful long finish allows a great adaptability when combined with dishes from any culture.

**Vineyards:** 12 hectares of espaliers located at "Finca Angaco". On the outskirts of the winery, there are 26 hectares of high trained vines located at "Finca Cañada Honda", Guanacache.

**Winemaking Techniques:** A very careful control of fermentation temperatures, using new and old world techniques, such as cold maceration and delestage that gives the wine a depth and intensity of colour and a balanced extraction of tannins.

MARTIN FIERRO

*The Martin Fierro line expresses the Argentine spirit, transmitting a strong character of national identity.*

**Aging:** The malolactic fermentation and the careful use of medium toasted French inner-staves create a smooth, complex and balanced wine. After cold stabilization the wine is bottled and then placed in underground cellars for at least four months.

**Taste:** With a deep ruby colour, this wine develops red and black fruit aromas during its time in the bottle. It has a balanced palate with soft, sweet tannins. Serving suggestions: Served ideally between 16° and 18° C, having uncorked the bottle one hour before.

**Food pairings:** This wine makes an excellent accompaniment to red meat dishes (the traditional Argentine barbecue), meat pies, pasta dishes with tomato sauce, lamb, grilled pork and soft cheeses.

**Analysis**

Alcohol: 12.5 % Vol  
Total Acidity: 6.0 g/l (Tartaric Acid)  
Sugar: 2.1 g/l  
PH: 3.5
